

User Roles and Access to South Dakota Smarter Balanced Assessment Systems for 2018–2019

The following table indicates which users can access the features and tasks within each South Dakota Smarter Balanced Assessment system. The corresponding user guide for each system contains complete information about each feature.

Each user in TIDE has a role, such as a district-level user or a test administrator-level user. Each role has an associated list of permissions to access certain features within TIDE or the other assessment systems.
